AIRFIGHT CHRONOGRAPH

STEEL CASE

The very first chronograph dedicated to the world of aviation celebrating the legendary P-51 Mustang warbird with a purely operational dial watch. Pilots will instantly recognise the nods to the 'Badin' airspeed indicator, the vertical speed indicator measuring 'up' and 'down' variations in feet per minute, the tachometer measuring RPM. The bezel features a telemeter scale. Steel case. Bi-retrograde (date and seconds at 120°) watch with the first chronograph from RESERVOIR (central second, 30-minute counter at 12, hour counter at 6). The watch is powered by the watchmaking caliber RSV-Bi120: a manufacture bi-retrograde chronograph movement, automatic mechanical winding, and column wheel (base LJP-L1C0). Delivered in a prestigious wooden box with an additional NATO strap.
