LONGBRIDGE CLUB ROSE GOLD

ROSE GOLD CASE

The Longbridge collection traces the epic journey of an iconic miniature looking car. Between tradition and modernity, it conquered passionate about racing over several rallies including Monte-Carlo's in the 60s. Here, RESERVOIR watch takes inspiration from this little audacious' measurement instruments to embody the urban chic and English luxury. The Longbridge Club Rose Gold shakes up luxury conventions. A symbol of renewal, it is made with precious materials, an 18-carat rose gold case and alligator strap, blending strength and elegance. Two precious stones, tourmaline and sapphire, on the black dial, symbolize the light indicators and full headlights of vintage counters. Powered by RESERVOIR's first generation caliber: a self-winding mechanical movement combining an exclusive patented 124-piece module on an ETA-2824, to bring to life the retrograde minute, jumping hour and a 37-hour power reserve. Delivered in a prestigious wooden box.
