KANISTER SILVER

The KANISTER collection is inspired by the RPM counter of the legendary 356 Speedster car, and pays tribute to the spirit of freedom that breathed the decade of the 1950s. The grey minute indexes, a silver colored dial and a white hand housed in a titanium case with polished finish, mounted on a taupe leather strap elegantly sign the breathtaking design of this model. Powered by the new caliber RSV-240, a proprietary patented three-complication module coupled to a manufacture movement (LJP-G100 base), combining retrograde minute, jumping hour and a 56-Hour power reserve. Delivered in a prestigious wooden box with an additional black leather strap. Awarded by a Red Dot for Product Design in 2022.
