

LONGBRIDGE CLUB

41,5MM CASE & STEEL STRAP

The Longbridge collection traces the epic journey of an iconic miniature looking car. Between tradition and modernity, it conquered passionate about racing over several rallies including Monte-Carlo's in the 60s. Here, the Longbridge Club from RESERVOIR watch takes inspiration from this little audacious' measurement instruments to embody the urban chic and English luxury, in a 41.5mm case with steel strap. Two precious stones, tourmaline and sapphire, on the black dial, symbolize the light indicators and full headlights of vintage counters. Powered by the new caliber RSV-240, a proprietary patented three-complication module coupled to a manufacture movement (LJP-G100 base), combining retrograde minute, jumping hour and a 56-Hour power reserve. Delivered in a prestigious wooden box with an additional NATO strap.
