RESERVOIR X POPEYE CRICKET LIMITED EDITION FOR INDIA

As the cricket world comes together for the 2023 Men's Cricket World Cup, RESERVOIR watch invites you to embark on an unforgettable journey that celebrates boldness, adventure, and the unwavering spirit of Popeye. With the RESERVOIR X POPEYE CRICKET, time becomes an animated canvas, and each moment is a chance to embrace the thrill of life. This limited-edition watch is a testament to the power of storytelling through art and innovation, encapsulating the legacy of Popeye and the magic of cricket. A true marvel for watch enthusiasts and fans of the comic strip Pop eye alike, the dial showcases a painted image of the beloved cartoon character standing tall in a cricket stadium with a bat in his hand—an exquisite homage to the iconic underdog. The bright white indices add a touch of contrast against the colorful backdrop, enhancing legibility and ensuring a seamless fusion of artistry and functionality. Powered by the caliber RSV-240, a proprietary patented three-complication module coupled to a manufacture movement (LJP-G100 base), combining retrograde minute, jumping hour and a 56-Hour power reserve (not seen on the dial). Each numbered model is presented in a white wooden box adorned with an image of "The Popeye Family" (© 2022 King Features Syndicate™ Hearst Holdings, Inc.), with a special embroidery in honor of Pop eye.
