2024 NOVELTY

390 FASTBACK

GREEN DIAL

The RESERVOIR 390 Fastback collection is inspired by the speedometer of the 1967 American "Pony Car". The number "390" pays homage to the V8 engine from the original fastback pony car, boasting a displacement of 6.4 liters, or 390 cubic inches, and generating a power of 320 horsepower at that time. The dial, the single-hand 240° retrograde showing the minutes, and the jumping hours in a window at 6 and the power reserve are not just mechanisms of time but symbols of freedom: a nod to the first car of a young generation of Americans from the sixties for a bold trip on the legendary US highways. The green dial inserted in a 41.5 mm stainless steel case is mounted on a high-quality green leather strap as a reminiscent of vintage car seats. Powered by the new caliber RSV-240, a proprietary patented three-complication module coupled to a manufacture movement (LJP-G100 base), combining retrograde minute, jumping hour and a 56-Hour power reserve. Delivered in a prestigious wooden box.

Technical Specifications

Ref: RSV01.3F/133.GR

CASE

- 41.5 mm, 316L Stainless Steel Case with Satin and Polished finish
- Green Dial
- Minutes & Hours font similar to the one seen on "The Pony Car" speedometer
- Screw-down Crown, Water-resistant 5ATM
- Open case-back
- Anti-reflective Sapphire Crystal

MOVEMENT

- Retrograde Minute, Jumping Hour
- Caliber RSV-240 : Manufacture Self-winding Mechanical Movement, Patented proprietary 113-pieces module (LJP G100 base)
- 56-Hour Power Reserve
- 28,800 alt./h
- Swiss Made

STRAP

- Leather strap, White Stitching, 20 mm Width
- Stainless Steel Butterfly Folding Clasp
