RESERVOIR X OLIVE OYL DIAMONDS

The New RESERVOIR Olive Oyl Watch : Timeless Charm of the "Oh Dear!" This exquisite timepiece marries artistic ingenuity with the precision of Swiss watchmaking, featuring a mesmerizing blue sandstone dial that resembles a starlit sky. At the heart of this celestial backdrop, the beloved comic character Olive Oyl is depicted alongside her adorable charge, Swee'Pea, adding a touch of whimsy and nostalgia to the sophisticated design. Olive Oyl is more than just a comic figure; she is a symbol of enduring spirit and spontaneous flair, embodying RESERVOIR's ethos: “Fail or prevail but make it bold.” The blue sandstone dial features Olive Oyl's arm as the single-hand in a 39mm Stainless Steel Case with satin and Polished finish, gracefully pointing to embossed white numerals that mark the minutes, while Swee'Pea playfully indicates the power reserve. Powered by the caliber RSV-240, a proprietary patented three-complication module coupled to a manufacture movement (LJP-G100 base), combining retrograde minute, jumping hour and a 56-Hour power reserve. Delivered in a white wooden box adorned with an image of "The Popeye Family" (© 2022 King Features Syndicate ™ Hearst Holdings, Inc.), a special embroidery in honor of the comic strip Olive Oyl. Limited Edition 300 pieces.
