ICONIC WATCH

KANISTER

RED DOT DESIGN AWARD 2022

The KANISTER collection is inspired by the RPM counter of the legendary 356 Speedster car. The pastel green minute indexes, a red area, a black dial and a white hand housed in a titanium case with polished finishes elegantly sign the breathtaking design of this series. Worn on a leather strap like bucket seats of the time, the KANISTER collection pays tribute to the spirit of freedom that breathed the decade of the 1950s. Powered by the new caliber RSV-240, a proprietary patented three-complication module coupled to a manufacture movement (LJP-G100 base), combining retrograde minute, jumping hour and a 56-Hour power reserve. Delivered in a prestigious wooden box with an additional strap. Awarded by a Red Dot for Product Design in 2022.
